Apologise Later: The Biography of Robert Newton Mark Penrose

The first ever Biography of Robert Newton. From an idyll Cornish childhood to a desperate death amidst the Hollywood elite. Cowboy, beach-bum; loaded and flat broke. He survived the bloodiest naval arena in the second world war; married four times he failed as a husband and a father. He starred in dozens of films, dozens of plays. Newton was more than an actor; yet he is the quintessential pirate, Disney's 'Long John Silver', is the brutal Bill Sykes in Oliver Twist. Farmer, tax exile, he ran his own theatre and loved Rolls Royces. In America and Australia. Generous, gregarious, needful, lost, he swept through life and left people reeling in his wake. Olivier, Burton, Coward, Wayne. Laughing, infected with his joyous lust for life. He hid discretion under a coat of folly; but he was the man who would tell you, tell everybody, loudly, that the King was naked. . .
