“Working as Tyler Carter’s secretary is not the easiest job. It includes fending off Tyler’s stable of one-night stands. Answer their call, take the message, and toss it in the trash. They all look the same: tall, blond, with impossibly thin and curvy legs. All those girls know that Tyler Carter is a player, but they let him get away with it because **he is a billionaire, he is charming and he is incredibly hot.**

Sometimes I wonder what it would be like if he ever did notice me...”

Tyler Carter doesn’t take no for an answer. He is one of the most powerful men in the city, and he always goes after what he wants. And while he could have his pick of any woman, his sights are set on April, his new secretary. And he won’t stop until he’s owned every inch of her deliciously curvy body...

Author's note:

This is a standalone bad boy romance with hot sex, strong language, and an HEA.
