Foreign Correspondent: A Memoir H.D.S. Greenway

David Greenway, a journalist's journalist in the tradition of Michael Herr, David Halberstam, and Dexter Filkins. In this vivid memoir, he tells us what it's like to report a war up close.

Reporter David Greenway was at the White House the day Kennedy was assassinated. He was in the jungles of Vietnam in that war's most dangerous days, and left Saigon by helicopter from the American embassy as the city was falling. He was with Sean Flynn when Flynn decided to get an entire New Guinea village high on hash, and with him hours before he disappeared in Cambodia. He escorted John le Carre around South East Asia as he researched *The Honourable Schoolboy*. He was wounded in Vietnam and awarded a Bronze Star for rescuing a Marine. He was with Sidney Schanberg and Dith Pran in Phnom Penh before the city descended into the killing fields of the Khmer Rouge. Greenway covered Sadat in Jerusalem, civil war and bombing in Lebanon, ethnic cleansing and genocide the Balkans, the Gulf Wars (both), and reported from Afghanistan and Iraq as they collapsed into civil war.

This is a great adventure story—the life of a war correspondent on the front lines for five decades, eye-witness to come of the most violent and heroic scenes in recent history.

From reader reviews:

Marian Sheffield:

What do you concerning book? It is not important with you? Or just adding material when you really need something to explain what the one you have problem? How about your spare time? Or are you busy individual? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have extra time? What did you do? Everyone has many questions above. The doctor has to answer that question because just their can do that. It said that about guide. Book is familiar in each person. Yes, it is appropriate. Because start from on guardería until university need this Foreign Correspondent: A Memoir to read.

Tara Scribner:

The book Foreign Correspondent: A Memoir will bring someone to the new experience of reading a new book. The author style to elucidate the idea is very unique. In the event you try to find new book to study, this book very acceptable to you. The book Foreign Correspondent: A Memoir is much recommended to you to study. You can also get the e-book from the official web site, so you can more readily to read the book.

Dolores Crook:

The reason why? Because this Foreign Correspondent: A Memoir is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will shock you with the secret the item inside. Reading this book beside it was fantastic author who have write the book in such awesome way makes the content interior easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of benefits than the other book have got such as help improving your ability and your critical thinking way. So , still want to delay having that book? If I were being you I will go to the e-book store hurriedly.

Cherly Plaster:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Foreign Correspondent: A Memoir can make you experience more interested to read.
