Sherlock Holmes #1 During the Golden Age of comics the plots and characters were as close to anything-goes as the comics-buying public would allow. Evil was rampant and good was....well, relative at times. The stories were always exciting and colorful, however, and now you can re-live (or, enjoy for the first time) these great adventures from two generations ago! The comic reprints from UP History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version possible - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available.
