Tourists at the Taj: Performance and Meaning at a Symbolic Site (International Library of Sociology)

Tim Edensor

Clearly written and fascinatingly illustrated, *Tourists at the Taj* describes the conflicting narratives which surround the site. For some the Taj is an evocative symbol of the colonial past. For others it is a symbolic centre of Islamic power. For many of the thousands of tourists that visit it each year it is simply a monument of love.

The author shows how tourism can be seen as a performance and the tourist site as a stage on which tourists are directed and rehearsed but also able to improvise their own cultural rituals.
