Twenty-six-year-old Nic Maretta is having a bad year. She just found out that the man she was in love with and planned to marry is just that, married. So she does what any normal woman would do. She gets drunk, brushes herself off and swears off love forever. She is thankful to have a best friend that not only loves her, but accepts the new 'Nic'. This new Nic has decided to live life on her own terms, mocking convention; as well as her own situations. It's goodbye heartache and hello sexual freedom. After all, what's good for the goose, is good for the woman who likes sex! Or something along those lines. Until she accidentally bumps into Brendon... He is immediately taken in by her beauty and tenacity. She is instantly turned on by his good looks and sex appeal. One crazy night, one too many champagnes and way too many phone contacts, Nic throws caution to the wind and calls Brendon. To her surprise he comes running. Game on!
