APlusPhysics: Your Guide to Regents Physics Essentials Dan Fullerton

APlusPhysics: Your Guide to Regents Physics Essentials is a fun, friendly and concise roadmap to the entire New York State Regents Physics curriculum, preparing students for success in high school physics classes as well as reviewing for highest marks on the Regents Physics Exam.

Topics covered include pre-requisite math and trigonometry; kinematics; forces; Newton's Laws of Motion, circular motion and gravity; impulse and momentum; work, energy, and power; electrostatics; electric circuits; magnetism; waves; optics; and modern physics.

Featuring more than five hundred questions from past Regents exams with worked out solutions and detailed illustrations, this book is integrated with the completely free *APlusPhysics* website, which includes online question and answer forums, videos, animations, and supplemental problems to help you master Regents Physics essentials.

Advance Praise for APlusPhysics Regents Physics Essentials:

"Very well written... simple, clear engaging and accessible. You hit a grand slam with this review book." -- Anthony, NY Regents Physics Teacher.

"Does a great job giving students what they need to know. The value provided is amazing." -- Tom, NY Regents Physics Teacher.

"This was tremendous preparation for my physics test. I love the detailed problem solutions." -- Jenny, NY Regents Physics Student.

"Regents Physics Essentials has all the information you could ever need and is much easier to understand than many other textbooks... it is an excellent review tool and is truly written for students." -- Cat, NY Regents Physics Student

From reader reviews:

Charles Grove:

What do you concentrate on book? It is just for students because they are still students or the item for all people in the world, what best subject for that? Simply you can be answered for that problem above. Every person has different personality and hobby for every single other. Don't to be forced someone or something that they don't need do that. You must know how great along with important the book APlusPhysics: Your Guide to Regents Physics Essentials. All type of book would you see on many sources. You can look for the internet solutions or other social media.

Michael Madden:

Information is provisions for anyone to get better life, information presently can get by anyone with everywhere. The information can be a knowledge or any news even restricted. What people must be consider when those information which is inside the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you receive the unstable resource then you have it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take APlusPhysics: Your Guide to Regents Physics Essentials as your daily resource information.

Louise O'Neill:

Your reading 6th sense will not betray you actually, why because this APlusPhysics: Your Guide to Regents Physics Essentials guide written by well-known writer we are excited for well how to make book that can be understand by anyone who read the book. Written inside good manner for you, dripping every ideas and creating skill only for eliminate your own hunger then you still skepticism APlusPhysics: Your Guide to Regents Physics Essentials as good book not simply by the cover but also by the content. This is one e-book that can break don't judge book by its handle, so do you still needing yet another sixth sense to pick this!? Oh come on your reading sixth sense already told you so why you have to listening to yet another sixth sense.

John Sherman:

Reading a book being new life style in this calendar year; every people loves to study a book. When you learn a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these kinds of us novel, comics, and soon. The APlusPhysics: Your Guide to Regents Physics Essentials provide you with a new experience in looking at a book.
