This time it's not just about the candy... Join the misadventures of a group of particularly disturbing trick-or-treaters as they go about their macabre business on Halloween night. Blaming the apples they got from the first house of the evening for the bad candy they've been receiving all night, the kids plot revenge on the old bag who handed out the funky fruit.Riotously funny and wickedly shocking, artist Benjamin Roman and comic book vet Keith Giffen have crafted a sometimes sick and always twisted tale about a holiday that some of us just can't live without--who doesn't love Halloween?
