Learning how to sell DVDs on the Internet could not have come at a better time, given the current economic climate, the rising unemployment rate, and the brooding recession. Selling DVDs on the Internet is an ideal alternative for easily bringing in extra income to catch up on bills, pay down credit cards, buy holiday gifts, or simply put food on the table - it is about surviving and being prosperous during this very difficult economy. The purpose of this book is to provide easy to follow, step-by-step instructions on how to enter the Internet DVD retail business, avoid the pitfalls and costly mistakes, and create sustainable long-term income. This book is based on the real world personal experiences of the authors in successfully operating two Internet DVD retail businesses, competing in the vast and chaotic new and used DVD retail market, and generating sustainable income, despite the bad economy.
