Emily Bowers is supposed to be having a relaxing summer vacation with her parents on Cape Cod. But almost immediately upon her arrival, mysterious strangers begin to appear, and dark family secrets start to get revealed.

Emily's very soul is in danger, and someone – or something – is coming to collect. And it turns out that Lucas, the hot, enigmatic boy whose family owns the house Emily's staying in, may just be the only one who can help her escape a fate worse than death.

From the authors who brought you the hit series *The Witches of Santa Anna* comes a paranormal romance series that proves that first impressions aren't always what they seem, and that in the battle between good and evil, love is the only thing that matters.
