As the King's only daughter I was **pure and untouched**, waiting to be married off. But fate had other ideas and I found myself unwillingly captured by a ravaging Viking.

He had plans, however, to keep me pure and sell me for a handsome premium but I was prepared to use anything to secure my escape, even if that did include my body. That was until his two ravenous friends appeared whose **Viking carnal desires** were strong and overpowering.

Would I be able to use my charm and **inexperienced body** to escape? Or would I be sacrificed to their lust filled gods in only one way they knew how - **hard, fast and all at once**?

I'm not allowed to say any more here but click "Look Inside" to find out more
