## **Rumpelstiltskin (Timeless Fairy Tales Book 4)** K. M. Shea

When 17-year-old Gemma, a seamstress, is ordered by the insane King Torgen to spin straw into gold or be put to death, she knows her life is forfeit. Unwilling to give up, Gemma tries to escape her prison, earning her the respect of the mysterious mage, Stil. Stil offers to complete the impossible task...for a price.

Greedy and unsatisfied, King Torgen demands more and more straw to be spun into gold, and decrees that he will “reward” Gemma by marrying her. With death or marriage to a crazed king clouding her future, Stil offers Gemma a bargain that seems too good to be true.

Will Gemma’s trust in Stil be her downfall, or will he defy the entire country to save her?

RUMPELSTILTSKIN is a fairy tale retelling of love, magical bargains, and high stakes. Filled with humor, adventure, and clean romance, it belongs to the Amazon best selling series TIMELESS FAIRY TALES. The books in this series take place in the same world and can be read all together, or as individual, stand-alone stories.
