Texas Twins: The Story of Morgan & Nash

After gracing us with the "Boys of Bel Ami", Howard Roffman is back with his newest work "Texas Twins". Clear the stage for the sweet twin boys Nash and Morgan! Roffman allows us a moving look behind the curtain into the close relationship of the two brothers. One is a young James Dean - macho and masculine; the other is more emotional and sensual. These are photographs full of joy and affection, as well as artful moments of melancholy. In this book, Roffman again shows his flair for capturing quiet moods.
