The Suite Life: The Magic and Mystery of Hotel Living Christopher Heard

This book is the product of a lifelong fascination with iconic hotels and tells of the people who have lived in them.

Hotel living has always seemed exotic. Why did Claude Monet, Greta Garbo, Janis Joplin, Vladimir Nabokov, Howard Hughes, and many other mercurial individuals desire such a life? Besides answering that question, *The Suite Life* features interviews with high-profile celebrities who have also chosen hotel living, such as Johnny Depp, Warren Beatty, Keanu Reeves, Richard Harris, and Criss Angel.

Author Christopher Heard was conceived in The Fairmont Royal York Hotel in Toronto and now lives there as the writer-in-residence. *The Suite Life* is the culmination of a lifelong fascination with iconic hotels and those who have opted to reside in them. It tells of the enchantment of being exposed to many varied energies at the same time and describes the uniqueness of life lived in a place where people can let their inhibitions relax.

Living in a hotel is many things, but first and foremost it is magical.
