The Thornless Rose (Elizabethan Time Travel) Morgan O'Neill

No one ever knew what really happened to Dr. Jonathan Brandon back in 1945. He simply disappeared from a London pub, leaving behind an unsolved mystery and his fiancée--Anne Howard's grandmother. Seventy years later, Anne herself is haunted by the strange tale, along with inexplicable hallucinations straight out of Elizabethan England. Including a scarred, handsome man whose deep blue eyes seem to touch her very soul....

Anne wonders if there isn't something more to the story. Is it even possible that Jonathan disappeared into England's dark past? And why does Anne keep hearing him whisper her name? Because now she too feels the inexorable pull of the past, not to mention an undeniable attraction for a man she doesn't even know.

It's just a matter of time before Anne will step back into history, and face a destiny?and a love?beyond imagining...
