The TouchMoney Program uses a proven kinesthetic approach to make learning to count coins quick and easy. Based on the idea that all coins except pennies can be counted using 5's, this step-by-step process helps students of all ages experience success with this essential life skill. Each component of the program is sold separately or may be purchased in sets or as a complete kit. TouchMoney Worksheets TouchMoney Worksheets has been revised and updated to include expanded lesson plans, over 50 additional reproducible worksheets, new activity ideas and games, demonstration coins, and assessments. How It Works Students learn to count TouchPoints on nickels, dimes, and quarters to determine the value of the coins. Each TouchPoint equals five cents. Pennies are TouchCounted last since they are worth one cent each. This hands-on program includes activity sheets with lesson plans for each of the 6 steps of the TouchMoney process: Learning to count by 1's and 5's and to recognize money symbols. Identifying each type of coin and its value. Learning the location of TouchPoints on each type of coin. TouchCounting coins using marked TouchPoints. TouchCounting coins without the TouchPoints drawn on the coins.
