An Internationally known Full Body Open Deep Trance Channel and a highly evolved nonphysical Entity and Guide known as VERONICA each tell the true story of how and why they met, and much more. April Crawford starts her story with her childhood. VERONICA starts "her" story with the time before she chose to physically incarnate for the first time, why she choose to do so, those others that helped her, and her search to find the perfect match in the physical so that she, VERONICA, could be of service to those currently incarnated.
