Back to the one who left her heartbroken and alone.

Who will be the one to help heal her heart?

Will it be Dylan, who started as her re-bound, but has become her strength and her life line over the past few months.

Or will it be Kade, the one who stole her heart and showed her the true meaning of love. Then showed her all the despair, vulnerability and pain a broken heart can cause.

Which path will bring her to her happily ever after?

Their Happily Ever After is written in the stars and their hearts beat as one in unison... All is magical...
