**The Fate of Katherine Carr (Otto Penzler Books)** Thomas H. Cook

George Gates used to be a travel writer who specialized in places where people disappeared—Judge Crater, the Lost Colony. Then his eight-year-old son was murdered, the killer never found, and Gates gave up disappearance. Now he writes stories of redemptive triviality about flower festivals and local celebrities for the town paper, and spends his evenings haunted by the image of his son's last day.

Enter Arlo MacBride, a retired missing-persons detective still obsessed with the unsolved case of Katherine Carr. When he gives Gates the story she left behind—a story of a man stalking a woman named Katherine Carr—Gates too is drawn inexorably into a search for the missing author's brief life and uncertain fate. And as he goes deeper, he begins to suspect that her tale holds the key not only to her fate, but to his own.

#### **Martha Dixon:**

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Fate of Katherine Carr (Otto Penzler Books) can make you feel more interested to read.
