Jack McAllister is looking to get lucky on his vacation, and the jilted bride sitting at the slot machine next to him just might be his answer. Getting her up to his room is a breeze. Ditto getting her out of that formal, white dress. Laying eyes on her investigator's license...also surprisingly easy. Laine Monroe isn't a bride at all. The pretty blonde P.I. has been hired to catch Jack in a compromising position. Lucky for her, Jack's all too willing to compromise...Jenna Barrister didn't become Director of Human Resources by being a pushover. So why is her first task - firing playboy super-chef Zach Jacobs - proving so hard? He's a bad boy, a rules breaker who has enjoyed one guest too many, and he needs to go. But when the lights suddenly go out in the hotel, Jenna's resolve crumbles and so do her inhibitions. She wants to experience the heat, and the sexy, rebellious chef knows just how to turn it up...With his easy charm and roguish smile, Alex Mitchell thinks he has the Berkley Casino Assistant Manager position all wrapped up - until Caroline Rogers walks through the door in her perfect business suit. The competition is on with each side equally determined to best the other. As the stakes get higher, their mutual attraction deepens. Now, as the Casino faces its first blackout, Alex and Caroline are ready to indulge in a competition of a different sort, where the winner definitely takes all...
