Winesburg, Ohio [Annotated] Sherwood Anderson

Winesburg, Ohio is a 1919 short story cycle by the American author Sherwood Anderson. The work is structured around the life of protagonist George Willard, from the time he was a child to his growing independence and ultimate abandonment of Winesburg as a young man. It is set in the fictional town of Winesburg, Ohio.

Winesburg, Ohio is known as one of the earliest works of Modernist literature. Well received by critics despite some reservations about its moral tone and unconventional storytelling. Though its reputation waned in the 1930s, it has since rebounded and is now considered one of the most influential portraits of pre-industrial small-town life in the United States.

The Green Light edition contains two introductions and a linked table of contents. Look for more classic books from Green Light.
