You Get One Todd Jeffrey Wright

~~~~~Full length novel (115k words)~~~~~

A man has a near-death experience and believes God will grant him one miracle to save the world.

Todd Wright aka Mr. Tinkertrain is an average guy who has no special talents other than being great at video games. Many years ago he nearly died in a car accident and had a brief conversation with two spirit beings and then heard from God himself. According to Mr. Tinkertrain, an alien invasion is imminent and God will grant him one miracle to save his fellow people if he can change his ways and become a decent man.

Is it possible that an average person could get the chance to do something amazing? If Earth was attacked by aliens, would God even intervene to save us?

Maybe he is delusional to think that God even spoke to him at all. The Reptilians will stop at nothing to destroy the human race. -- Do you believe in miracles?

About the Author:

As stated in the book, Todd J. Wright is a Deputy State Fire Marshal living in Nebraska. Fire Marshal by day; husband, father and writer in the evenings and on weekends.

Now I am going to quit talking in the third person as if someone else wrote this... I had always seen You Get One as a movie. Knowing that they don't let any moron off the street make a movie, I decided to write it as a novel and hope it could build a strong enough following to bring it to the big screen some day. Hence, the "soundtrack" in the book. On the outside chance that you liked the story, please tell others and maybe we can make one bad ass film that could hopefully influence people in a good way. I also have crazy dreams of bringing back the Twilight Zone. Along with that hope, I have many stories ready to go. Maybe You Get One could be the series premiere for that.

After reading "About the Author" you are likely convinced that I am clinically insane for thinking that I can do any of these things. But that is good... a little crazy goes a long way in making a good novel. Even if You

Get One only remains in print (or audio) form, that is okay. Hopefully it will entertain the few readers left in the world. You guys are the smart ones, anyway. In case you do like it, thank you. In case it helped you in some way or made you contemplate life, or even get a new perspective on certain prophecies or God - well, that's even better.

I truly appreciate anyone who has taken the time to read my story.

God bless,

Todd Wright "Mr. Tinkertrain"
