My name is Elletra. I have been in the escort industry since I was 18, almost 7 years now. You name it and I have done it. I have compiled a list of tips every woman can do to please her man in the bedroom. All of these suggestions are based on things that my clients say their partners don't know how to do, don't want to or simply won't do. The number one complaint I hear is that women act like sex and everything that goes along with it is gross. Sex is fun. Once you realize that, both you and your partner will be a lot happier. Enjoy!
