Bike riding is a very unique skill to learn, especially among children with disabilities. Many parents struggle to teach their children how to ride because they do not know what is preventing the child from learning and how to apply to proper techniques. How to Ride a Bike in 24-Hours is a step-by-step guide for both parents and professionals. Parents will be able to understand what challenges are preventing the child from learning, they will be able to implement the right solutions to those problems, and they will be able to apply the techniques of a proven system. Using this book any child will be able to ride in 24-hours.
