On My Knees: A Memoir Periel Aschenbrand

On My Knees is Periel Aschenbrand's seriously funny follow-up to her debut memoir *The Only Bush I Trust Is My Own*.

At the beginning of *On My Knees*, we find Periel chain-smoking her days away on a plastic-covered couch, watching reruns of *Law & Order* while she squats in her deceased grandmother's apartment and adjusts to being alone for the first time in a decade. So begins a Dante-esque journey through the many rings of single-girl hell that includes crazy one-night stands; an unhealthy attachment to a dental hygienist; a run-in with Philip Roth; and, in the end, a trip to Israel and an encounter with a man who just might be the one.

Hysterical and heartfelt, *On My Knees* traces Periel's riotous attempt to rebuild her life, her relationships, and her trademark confidence.
