Sacred Books of the East - The Hsiao King (Classic of filial Piety) by James Legge

Confucianism is a way of life taught by Confucius in the 6th–5th century BC. Sometimes viewed as a philosophy, sometimes as a religion, Confucianism is perhaps best understood as an all-encompassing humanism that neither denies nor slights Heaven.

Confucianism has been followed by the Chinese for more than two millennia. It has deeply influenced spiritual and political life in China; its influence has also extended to Korea, Japan, and Vietnam. East Asians may profess themselves to be Shintoists, Taoists, Buddhists, Muslims, or Christians - but seldom do they cease to be Confucians.

**This eBook is special to add new illustrated pictures and annotated the stories of:
