Your brain might deceive you. But your gut instinct, your intuition, your heart...these you should always trust, for these will never fool you....

Author's Note: This steamy romance novella is a *standalone*. It does *not* end with a cliffhanger!

Meet Jacob. After growing up impoverished in West Virginia, this hardworking, independent young man is vying for a coveted position at one of San Francisco's best architectural firms.

However, after Jacob meets Tristan Bentley, a handsome Texas billionaire currently working in San Francisco, his dreams and his life plans get flipped upside down. Tristan is *not* a cowboy accustomed to anyone saying 'no' to him. So, after his first encounter with Jacob, he realizes that not only does he not want to go back to his sprawling Montana Ranch without Jacob, but also that Jacob would be *the perfect* fit to revitalize his mother's aging architectural design firm.

After a single night of passion, Tristan makes Jacob an offer he can't refuse. *Or can he?* Will independent Jacob follow his heart, and risk everything he's worked so hard for, for a once-in-a-lifetime chance at love?
