Each new print copy includes Navigate 2 Advantage Access that unlocks a comprehensive and interactive eBook, student practice activities and assessments, a full suite of instructor resources, and learning analytics reporting tools. Introduction to Nursing Research: Incorporating Evidence-Based Practice, Fourth Edition is a distinct integration of evidence-based practice and research for the baccalaureate nursing student. The text focuses on how students can incorporate research into their daily practice while considering the newest trends and research. The Fourth Edition focuses on the meaning of evidence, the use of quality improvement, and the practical application of these aspects for the practicing healthcare provider. This is not a typical introduction to nursing research book; it is an evidence-based practice text that uses research. New to the Fourth Edition New chapter on quality Focus on new articles and research End of chapter quizzes Navigate 2 Advantage Access
