A Stand-Out New Romantic Comedy

No-One Ever Has Sex On A Tuesday was so funny! Tracy Bloom has done a fantastic job of writing this book, and creating so many humourous moments in her writing. Throughout the story I was bursting out with laughter, and on more than one occasion I was asked by others what was so hilarious! - Megan Reading in the Sunshine (Amazon Top 500 Reviewer)

I utterly adored this book. It's extremely funny and has your eyes bulging out in excitement waiting for the next page. It is full of every day problems that we all face and has some seriously amazing twists in. It's emotional in every different way possible and really will have you not wanting to put it down. - Pyjama Book Girl

Never has a one-night stand led to such chaos!

Childhood sweethearts Matthew and Katy agree they must never see each other again after they end up in bed together following a school re-union. So all is forgotten... until eight months later when a shock meeting at an antenatal class forces them to confront the fact that Matthew could be the father of Katy's baby. Oblivious to the mayhem unfolding, Matthew's highly-strung wife frets over giving birth to twins and Katy's much younger boyfriend refuses to take fatherhood seriously.

Love and life are messy but Katy and Matthew take things to a whole new level as deep emotions begin to resurface and hormones run riot.

How will they navigate their way through this almighty cock-up?
