Reflecting: Nature in Black and White Robert J. Zimmer

REFLECTING: NATURE IN BLACK AND WHITE Reflecting is about so much more than seeing. Reflecting is recollection, reminiscing, rediscovery, reliving. In my new book, "REFLECTING: Nature in Black and White," the complexities and rich detail, beauty and texture of nature are stripped down in elegant black and white. Yet they are also greatly enhanced, enriched. Featuring even more breathtaking photographs and an in-depth connection to the nature and landscapes we treasure, REFLECTING is the perfect companion book to VOICES OF THE WIND. Nearly 300 pages, 200 photographs in elegant black and white, along with scores of essays on nature and reflecting, you'll enjoy this amazing new book.
