**Sweet Temptations** Rhonda Nelson

Boxed set collection--3 full-length romantic comedies!

"Quirky, irreverent and laugh-out-loud hilarious, Rhonda Nelson speaks my language!" --New York Times bestselling author Vicki Lewis Thompson

Vintage Rhonda Nelson! Though Rhonda is known more recently for her sexy, romantic comedies she began her career writing funny, heart-warming romance for Kensington's Precious Gems line. The books were only sold in Wal-Mart and spent less than a month on the shelves. Now, thanks to the wonderful world of digital publishing, they're available again.

MY FUNNY VALENTINE--Young widow Bella Valentine isn't looking for love in all the wrong places--she's not looking for love at all. With a young son, an aging Victorian house in need of constant repair and a busy business keeping the women of Magnolia Grove, Mississippi groomed and in current fashion, she doesn't have time for romance...until it literally arrives at her front door...in the form of Gray Cameron.

Bestselling mystery author Gray Cameron is in town researching his latest novel and needs a place to lay his head for a few months. Bella's above-stairs apartment fits the bill excellently and the scenery--hers specifically--is nothing to sneeze at either. But when the sexy widow and her adorable son prove to be more interesting than his current novel, Gray knows he's in trouble. And trouble has never felt so good...

DOUBLE DARE--Runaway bride Louisa Honeycut is looking for a quick escape when she passes the Double Dare, Inc sign and the slogan "Are you ready for the time of your life?" seems like divine intervention. Sheltered by her overbearing father, Louisa has years of catching up to do and can think of no better person than gorgeous Sam Rawlins to show her. Is she ready for the time of her life? Hell, yes.

Ordinarily unflappable adventure guide Sam Rawlins makes his living showing the wealthy how to have fun, but nothing in his experience could have prepared him for the "adventure" Louisa Honeycut asks for. He might be showing Louisa the time of her life, but the quirky little snack-cake heiress is soon turning Sam's own life upside down...and perversely, he likes the new vantage point.

THE PERFECT PROPOSAL--Annie Witherspoon has spent the last five years working toward obtaining the CEO position at Hightower Advertising. She's worked nights and weekends, has sacrificed her practically non-existent social life and kept her eyes on the prize, as it were. Now, thanks to some inconvenient, ill-timed bout of nostalgia, her boss is giving his global playboy nephew a shot at her job. It only adds insult to injury when her own body betrays her in the form of the most virulent case of sexual attraction she's ever experienced. Soon it's more than her job that's at stake--it's her heart as well.

Mitch Hightower isn't nearly the playboy the papers make him out to be and, after the sudden death of his business partner, Mitch feels to need to be closer to his family, to his heritage. When his aging uncle offers him the chance to reclaim the head of the company, Mitch is determined to do just that. But when pitted against Annie Witherspoon to win an important account, Mitch finds himself less concerned with pitching his campaign strategy and more interested in marketing himself...to her.
