Book One of the Tight Knots Romance Series

Ava Gresham has been a nude model for the last two years. She lets her body be the inspiration for countless pieces of art. Every Wednesday she models for a group of the country's most talented artists who work out of the prestigious Santa Fe Art Collective. It's been many Wednesdays now since she's first noticed *him*.

He's dark and mysterious sitting in the back of the studio but he always leaves too quickly for Ava to even get his name. Her obsession with him grows until one day the silence is broken.

Renshaw Dyer is the most beautiful man and talented artist she's ever encountered. She's never seen sensuality in such perfect balance before. She is flattered and excited to be sought out as a model for his next project. A project that literally comes with strings (or rope) attached. Everything in her wants to say yes but she's not sure she can straddle the line between modeling in the nude and being fully exposed.
