The Keeper Of The Stars Penny Childs

A rash of killings has rocked the small town of Paradise, Michigan. And Cass Santos knows things she has no business knowing.

Detective Cole Rafferty wants to know how she knows what she does. How does she know the killer hunted his victim's down like animals in the dark and took their hearts? How does she know this killer has dubbed himself 'The Keeper Of The Stars'? And how in the hell does she know where the bodies will be found? Rafferty can only come to one conclusion. Cass Santos either knows the killer, or she is the killer. He refuses to believe that she 'just knows things'.

Whatever the case may be, Rafferty is determined to find the answer before another young boy's heart is taken.
