It's Time to Give God a Piece of Your Mind What's on your mind? Is it your biology final? Is it the fight you just had with your best friend? Is it Jesus? Staying close by Him is the best way to make it through this crazy life, but it can be hard to keep Jesus on your mind morning, noon, and night, especially when so many people think that being a Christian means you're weak, naïve, or uncool. As a result, maybe you find yourself at the most exclusive parties just to prove that you're not the boring loser your classmates think you are. But you don't need to prove yourself to them, and here's why: God's opinion of you is the one that really matters. He is the only one who completely understands you, and He wants to help. This book, filled with enough devotionals for an entire year, equips you to hold fast to values like maintaining sexual purity, having a good work ethic, and being a great friend. Rediscover the power of God's love, and you'll remember why it was so important for you to stick by Him in the first place.
