David Burnie

DK Eyewitness Books: Tree David Burnie

In this updated and revised edition of *Tree*, readers can follow a seed grow into a sapling, the changing colors of fall leaves, and the tiny insects that live in rotting leaves on the forest floor, plus learn why deciduous trees lose their leaves in the fall, how a tree breathes, how bark defends trees from attack by animals, and more.

Each revised *Eyewitness* book retains the stunning artwork and photography from the groundbreaking original series, but the text has been reduced and reworked to speak more clearly to younger readers. Still on every colorful page: Vibrant annotated photographs and the integrated text-and-pictures approach that makes *Eyewitness* a perennial favorite of parents, teachers, and school-age kids.
