Caution: Contains violence – not suitable for children.

Slowly and painstakingly, I began piecing my life together. Some pieces were easy to identify and slip into place, while others appeared incongruent and unwelcome as they floated up from the amnesia in my subconscious mind. In my search for answers I journeyed through a living nightmare and found my way into the river of life. I am a ritual abuse survivor and this is my story. It is a chronicle of hope and deliverance, literal deliverance from evil.

Satanic Ritual Abuse Exposed shines the spotlight on the hidden works of darkness silently permeating the very fabric of our society, from Masonic Lodges to the Vatican. This compelling true story will provoke you to ask the questions you were afraid to ask and to venture beyond your denial. Like a hand reaching into the pit of hell and drawing you out of the rabbit hole, this story proves there is a way out of the darkness that leads into light. It is a voice for the voiceless, and a ray of hope for those who have suffered. Katie is living proof that miracles still happen and it is possible to find purpose beyond the pain.
