Snowflakes and Coffee Cakes Joanne DeMaio

From *New York Times* bestselling author Joanne DeMaio comes an enchanting novel about love, family, and the delicate power of snowflakes.

Reluctant to leave her cherished New England hometown after her sister's winter wedding, former journalist Vera Sterling makes a sudden decision. She takes what's left of her severance pay and invests it in real estate ... in one particular drafty colonial home and old timber barn set upon the pretty banks of Addison Cove. In that rough-hewn barn, she discovers a secret treasure left behind by the previous owner, the proprietor of the long-forgotten Christmas Barn gift shop.

While restoring her rundown, wood-sided home--its creaking floors, broken bannister, and neglected widow's walk--that secret slowly unfolds like a bit of snowflake wonder, crystallizing hopes and dreams for many in this small Connecticut town. But mostly for Derek Cooper whose own tragic story has headlined Addison's news. And whom Vera has come to love.

When the first snowstorm hits during Derek's annual Deck the Boats Festival at the cove, residents become stranded. It is then up to Vera to not only bring the town together, but to mend one man's heart she fears she may have lost.

Snowflakes and Coffee Cakes is a heartwarming story, one that reminds us to look to winter's stars. Because snowflakes can grant very special wishes ... if only we believe.
