Giving control of her body to Carlo Romano, underboss to her father, was dangerous.

More dangerous than her hair-brained idea to take off her clothes at a strip club as a form of sex therapy. But the temptation outweighed the risk. Carlo made her feel sexy, alive and appealing, feelings she'd scarcely known after two years with her cheating and demoralizing ex-boyfriend.

Carlo couldn't believe Summer -- the Don's daughter -- was dancing half-naked on the stage of a strip club. Nor could he believe she suggested he'd be the one to take a belt to her ass and set her straight. But he'd had a thing for Summer since the day he moved in with her family, fresh off a plane from Sicily. He couldn't walk away from the opportunity to get up-close and intimate, and show her his dominant side. Still, Summer may not be ready for a new relationship, and even if she is, there was the not-so-small matter of what her parents would say -- her father would probably want to kill Carlo if he found out he'd seen her naked...
