The Feeling Brain: Selected Papers on Neuropsychanalysis (The Psychoanalytic Ideas Series) Mark Solms

Neuropsychanalysis is the fastest growing area within psychoanalysis, providing a bridge between "classic" psychoanalysis and the neurological sciences. This book provides an accessible introduction to the field through a selection of papers by one of its leading figures. It includes papers on the theoretical and philosophical foundations of neuropsychanalysis, scientific papers on the brain mechanisms of dreaming and consciousness, the application of neuropsychanalysis in psychiatry and neurology, and clinical case studies.
