**When Both Parents Work: A Parenting Style For Dual Career Couples** Barbara Young, Jonathan Young, Beatrice Young, Jacqueline Young

This book is dedicated to dual career couples like the authors who find balancing work and raising a family a challenge.

It is interesting to note that this has been written together with the authors' teenage daughters who felt the need for children's voices to be included in a parenting book. After all, they are the recipients of parenting styles!

A collection of stories from 20 years of juggling work and raising 4 children, this book shares with you a parenting style that has been influenced by values learned at the work place such as responsibility, integrity, honesty, teamwork and open communication.

It is not easy to raise children while travelling for work or in between midnight conference calls. This parenting style may just help build strong relationships and raise confident and responsible children.
