A. R. Ivanovich

Haven (The War of Princes, Book 1) A. R. Ivanovich

For hundreds of years, the peaceful country of Haven has remained isolated from the rest of the world. But for adventurous seventeen-year-old Katelyn Kestrel, Haven's calm has always been a little, well, boring. She can't help but wonder what lay outside Haven's seemingly impassible borders, but no one will talk about the mysterious catastrophic event that separated Haven from the outside world. Katelyn has a strange knack for finding things, and when she miraculously finds a passage into the outside world, she thinks she's solved a longstanding mystery. Instead, she discovers that some things should never be found . . .

The outside world is more treacherous than Katelyn ever imagined, full of monsters, magic, and two princes locked in a bloody, centuries-long battle. The moment she arrives, she is kidnapped and held captive in a nearby keep, accused of being a northern spy. With the help of a hardened young soldier and a handsome lord, Katelyn must try to escape and find her way back to Haven. But there are dark forces at work that Katelyn can't begin to understand, and she'll be lucky to make it out of the fortress alive . . .

This is a new edition of the previously self-published novel.
