## **Lideres latinos del siglo XXI: Latinas y latinos que estan transformando la sociedad (Spanish Edition)**

Kayla S. Garcia

Los líderes y activistas latinos retratados en este libro están transformando nuestra sociedad. Han hecho contribuciones significativas a nuestros sistemas legal, político y educacional. Este texto incluye historias comprensivas de hombres y mujeres que han desafiado las bajas expectativas de sus maestros, han superado serias adversidades, han establecido importantes precedentes sociales y han dedicado muchísimo tiempo ayudando a otras personas a conseguir sus propias metas. Estos individuos siguen activos en una gran variedad de profesiones y organizaciones a nivel local, estatal, nacional, e internacional. Sus vidas constituyen pruebas irrefutables de que es posible superar obstáculos tales como la pobreza, la discriminación, las enfermedades graves, y las agotadoras responsabilidades familiares para arribar a metas sobresalientes. Esta biografía colectiva incluye a algunas personas bien conocidas, tales como Sonia Sotomayor, la primera latina en la Corte Suprema; Dolores Huerta, organizadora sindical y activista comunitaria; Jorge Ramos, presentador de noticias y defensor de inmigrantes; y Sandra Cisneros, autora y activista. Asimismo, presenta a muchos otros que, aunque no tan renombrados, merecen darse a conocer. Entre estos destacan John Haroldson, fiscal de distrito; María Chávez-Haroldson, promotora de liderazgo; Julián Castro, nominado para secretario de Vivienda; Nydia Velázquez, representante por Nueva York; Luis Gutiérrez, representante por Illinois; y Marco Rubio, Senador por Florida. También se encuentran aquí retratados varios líderes en los campos de educación, de organización comunitaria, y de activismo literario. En este último sobresalen la escritora chicana Cherríe Moraga, defensora de las comunidades gay, latina e indígena; y Elena Poniatowska, una autora mexicana que ha sido una aliada de las escritoras latinas.
