Maurice: A Novel

E. M. Forster

Maurice: A Novel E. M. Forster

"The work of an exceptional artist working close to the peak of his powers." Christopher Lehmann-Haupt, *The New York Times*

Set in the elegant Edwardian world of Cambridge undergraduate life, this story by a master novelist introduces us to Maurice Hall when he is fourteen. We follow him through public school and Cambridge, and into his father's firm. In a highly structured society, Maurice is a conventional young man in almost every way?except that his is homosexual.

Written during 1913 and 1914, immediately after *Howards End*, and not published until 1971, *Maurice* was ahead of its time in its theme and in its affirmation that love between men can be happy. "Happiness," Forster wrote, "is its keynote.... In *Maurice* I tried to create a character who was completely unlike myself or what I supposed myself to be: someone handsome, healthy, bodily attractive, mentally torpid, not a bad businessman and rather a snob. Into this mixture I dropped an ingredient that puzzles him, wakes him up, torments him and finally saves him."
