Rebecca's life is about to change!

In the beginning, the ancient Gods created not just the earth. They also created three other worlds: the Elysian Fields, a paradise where they themselves live; Tartarus, the dark world of demons and Titans, ruled over by the ancient deity Cronus; and finally the Land of the White Sun, where all the heroes and creatures of myth dwell – Centaurs and Minotaurs, Cyclopes and Gorgons, Amazons and flying horses! In this land the Creator planted the Sacred Flame, the Cosmic Source that keeps the universe in balance and must be protected from the Dark monsters and Evil Gods who desire to seize it, in order to destroy all the worlds.

Hearing that Rebecca is charismatic, Turgoth, ruler of the kingdom of Beast, arranges for her abduction. When the two of them come face to face, they realise that there is a strange bond between them and their destinies become entwined forever. But although they start to share deep feelings for each other, they are doomed to fight on opposite sides...

Rebecca Newton and the Sacred Flame is a tale of epic wars, grand passions, mythical creatures and ancient Gods – an adventure story which reaches to the core of what we mean when we speak of “Good” and “Evil”.
