The Philosophy of Economics: An Anthology

Daniel M. Hausman

The Philosophy of Economics: An Anthology Daniel M. Hausman

This is a comprehensive anthology of works concerning the nature of economics as a science, including classic texts and essays exploring specific branches and schools of economics. Apart from the classics, most of the selections in the third edition are new, as are the introduction and bibliography. No other anthology spans the whole field and offers a comprehensive introduction to questions about economic methodology.
