## **The Philosophy of (Erotic) Love** Robert C. Solomon, Kathleen M. Higgins

What does philosophy know of love? From Plato on, philosophers have struggled to pin love to the dissecting table and view it in the cold light of logic. Yet, as Arthur Danto writes in the foreword to this volume, "how incorrigibly stiff philosophy is when it undertakes to lay its icy fingers on the frilled and beating wings of the butterfly of love."

Love, elusive and philosophically intractable as it is, has long fascinated philosophers. In this collection of classic and modern writings on the topic of erotic love, Robert Solomon and Kathleen Higgins have chosen excerpts from the great philosophical texts and combined them with the most exciting new work of philosophers writing today.

The result is a broadly conceived, comprehensive, and important work, nearly as stimulating and provocative as love itself. It examines the mysteries of erotic love from a variety of philosophical perspectives and provides an impressive display of the wisdom that the world's best thinkers have brought, and continue to bring, to the study of love.

"Stunning! This brilliant interdisciplinary collection is as provocative, enchanting, and richly rewarding as its topic. Unrivaled in scope and richness, blending classic and contemporary readings on love, here is a wellspring of insights for scholars, students, and general readers alike." Mike W. Martin, author of *Self-Deception and Morality*.

#### **Rana Jensen:**

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Philosophy of (Erotic) Love can make you truly feel more interested to read.
