**Working with Young Children** Judy Herr Ed.D.

**Working with Young Children** introduces you to the field of early childhood education. The text begins by helping readers better understand young children and then progresses into developing guidance skills. Child development principles are applied to child care settings. You will also learn how to handle specific concerns related to infants, toddlers, school-age children, and children with special needs.

- All information needed to successfully earn the Child Development Associate (CDA) Credential™ is included.
- Readers prepare for the workplace by learning about licensing rules and regulations, different career paths, and safety considerations.
- Core values and principles from the NAEYC's Code of Ethical Conduct and Statement of Commitment are highlighted in their own appendix.
