He's a man in possession of a large fortune....but is he in want of a wife?!

It is a truth universally acknowledged that Natalie Dashwood loves to shop. After all, as the heiress to the renowned London department store *Dashwood & James* she's been wearing designer shoes since she could walk! But a socialite's life isn't as perfect as you might imagine... Natalie's spending is spiraling slightly out of control, her rock star boyfriend is engaged to someone else, and it seems the family business is in financial crisis. New high-flying business exec Rhys Gordon has been brought in to save the company from ruin, but what are his motives? And *infuriatingly* even a shoe-shopping spree can't take her mind off his distracting and oh-so-charming smile... *Couture and confetti mix with scandal and intrigue in this wonderful tale of retail, romance and redemption.*
