The Billionaire's Escort - His Beck and Call Girl (BDSM Romance) Book 2 Honey Taylor

A phone call changes the life of Destiny Harper, leading to her traveling from her home town to be by the side of billionaire Cameron Ashcroft. She finds herself falling harder for him as she is drawn into the world of being his submissive and starts to hope that Cameron's view of her is changing from seeing her as just his escort to something more. Life becomes more complicated though as an unexpected visitor suddenly arrives on the scene, vying for the billionaire's attention.

Extract:

She gasped as Cameron picked her up and sat her on the table. He pushed her to lie down with her legs hanging down from the table and dropped to his knees between her spread open thighs. He kissed and bit onto the sensitive inner skin of Destiny's thighs and she had to work even harder to hold the cries in. She could hear the sound of people walking past in the corridor outside, the threat that someone might come in heightening the excitement in the room. Cameron licked onto the material between Destiny's thighs, feeling how wet it was. He moved back a little and just ran his fingers up and down the pussy lips which now clearly showed through the material. He pushed harder, trying to open Destiny up and feeling the material get wetter still as he forced it onto the slick inner skin.

Cameron suddenly pulled the panties to the side, exposing the naked pussy below and hearing the gasp of Destiny as he licked onto the slick skin. He stiffened his tongue and forced it hard onto the pussy lips, feeling them open up under the touch and allowing his tongue to slide inside. He lapped hard at the wet skin, his desire growing by the second. The taste of pussy drove him on and he pulled his tongue back out and licked it up to the erect clit. Destiny suddenly couldn't hold back the moan at the electric sensation of the touch onto her clit. She slapped a hand over her mouth as Cameron went crazy on the erect little nub to the point that she was sure he was trying to make her moan loud, the risk of being caught seemingly turning him on even more. As he licked clit, he brought stiffened fingers to the pussy entrance and fucked them in hard.
