## **Devil's Game: How the United States Helped Unleash Fundamentalist Islam (American Empire Project) Robert Dreyfuss**

The first complete account of America's most dangerous foreign policy miscalculation: sixty years of support for Islamic fundamentalism

Devil's Game is the gripping story of America's misguided efforts, stretching across decades, to dominate the strategically vital Middle East by courting and cultivating Islamic fundamentalism. Among all the books about Islam, this is the first comprehensive inquiry into the touchiest issue: How and why did the United States encourage and finance the spread of radical political Islam?

Backed by extensive archival research and interviews with dozens of policy makers and CIA, Pentagon, and foreign service officials, Robert Dreyfuss argues that this largely hidden relationship is greatly to blame for the global explosion of terrorism. He follows the trail of American collusion from support for the Muslim Brotherhood in 1950s Egypt to links with Khomeini and Afghani jihadists to cooperation with Hamas and Saudi Wahhabism. Dreyfuss also uncovers long-standing ties between radical Islamists and the leading banks of the West. The result is as tragic as it is paradoxical: originally deployed as pawns to foil nationalism and communism, extremist mullahs and ayatollahs now dominate the region, thundering against freedom of thought, science, women's rights, secularism--and their former patron.

Wide-ranging and deeply informed, Devil's Game reveals a history of double-dealing, cynical exploitation, and humiliating embarrassment. What emerges is a pattern that, far from furthering democracy or security, ensures a future of blunders and blowback.
